Earn up to 21 total CEUs. Approved by the NM Counseling & Therapy Board for Counselors, Social Workers, CPSWs & CHWs, and other eligible behavioral health professionals.

Business Development

Workshop & Roundtable Series for Behavioral Health Professionals

This training series aims to enhance the business acumen and leadership skills of Behavioral Health Professionals.

The six-part series includes six two-hour workshops and six corresponding 90-minute roundtables featuring an expert panel offering guidance on real-life business challenges. Bring your business obstacles and leadership insights to learn & contribute to the roundtable discussions.

Closed Captioning available for all workshops. Spanish and ASL interpretation can be requested at time of registration. Interpretation requests must be received at least 7 days before the event.
