Closed Captioning and Spanish Interpretation available for all workshops. ASL interpretation can be requested at time of registration.

Approved by the NM Counseling and Therapy Board for eligible Counselors, Social Workers, and CPSWs and other behavioral health professionals. CEUs approved by the DOH for CHWs.

This comprehensive training series is designed to equip Community Support Workers (CSWs) with the knowledge and skills necessary to excel in the field of behavioral health. Certified Peer Support Workers (CPSWs), Community Health Workers (CHWs), and other certified specialists may also benefit from this series.

Through monthly live and recorded workshops, participants will learn effective communication techniques, tools for resiliency, best practices, and more to ensure the well-being of both clients and providers. This series meets the continuing education criteria for CCSS Community Support Workers.
